FRED F. ZELLER

• Mr. BOND. Mr. President, I wish to pay special tribute to Mr. Fred F. Zeller, the American Legion District 11 and 12 Legionnaire of the Year. Fred and the millions of other veterans that have served have earned our Nation's most sincere thanks for the service and sacrifices they rendered. It is their service that provided the umbrella of freedom under which we live today.

Mr. Zeller earned his eligibility to be a member of The American Legion by serving in the U.S. Navy in World War II as part of the greatest generation and has enjoyed 57 continuous years in The American Legion.

After being discharged from the Navy in 1946, Fred joined Post 225 in Ohio. He was transferred by his company to Minnesota in 1951 where he joined Post 257. He served on various committees, the executive board and Captain of the Color Guard and the Firing Squad for 8 years. His job took him to many places and he landed in Missouri and settled in St. Louis in 1978, becoming a member of Post III where he took part in all of the Post activities.

Fred is presently serving as Judge Advocate and President of G.A.P.L., the building and grounds part of the post. For sharing all of his knowledge, skill and hard work, Mr. Zeller was presented a gold card and life membership in 1999. Fred is a member of The Past Commanders Club, having served twice on the Executive board.

Fred exemplifies the true meaning of the word service. As you can see, Fred continued to serve long after he was discharged from the military and we should all be proud of his many accomplishments. Again, I wish to extend my most sincere thanks for Mr. Zeller's service and my congratulations to him on being chosen as Legionnaire of the Year.●

SISTER GERALDINE BERNARDS

• Mr. SMITH. Mr. President, I am proud to pay tribute today to a remarkable woman who is one of Oregon's true health care heroes. For the past 40 years, Sister Geraldine Bernards has devoted herself to the work of Maryville Nursing Home in Beaverton, OR. First as a nurse, then as director of nurses, and for the last 10 years as Administrator, Sister Geraldine has made a positive difference in the lives of countless Oregonians. Sister Geraldine will be retiring this summer, and before she does, I wanted to take the opportunity to share her inspiring story.

Founded in 1963, Maryville Nursing Home is owned and operated by the Sisters of St. Mary of Oregon, and offers "service with love" to the elderly. During the four decades of Sister Geraldine's service, Maryville has expanded to include an Alzheimer's unit, a physical therapy unit, an eye clinic, a dental clinic, an activities center, and a multi-purpose gathering center.

In her 10 years as Maryville's administrator, Sister Geraldine has initiated many valuable programs to guarantee quality health care and safety for the residents. Two courtyards have been enclosed, making them attractive and safe places for the residents to enjoy the outdoors with their families. A wireless phone system was introduced which enables nurses to be contacted immediately anywhere in the facility. A security system has been installed. New patient lifts were purchased. The volunteer program has seen a tripling in the number of participants, and a full time director of volunteers has been hired.

Some of the most inspiring words about Sister Geraldine come from those who know her best. Activity Director Hilee Jackson says that Sister Geraldine is "consumed by making sure that others' needs are met." Terry Shrum, Quality Assurance Director, says "Sister Geraldine would do anything for anyone."

It is a fitting tribute to her lifetime of service that a Sister Geraldine Bernards Continuing Education Fund is being established to provide financial resources for on-going career education in the fields of health care and early childhood development.

I am proud to join with many other Oregonians in saluting the work of this true health care hero, and I wish her many more years of health and happiness.●

RECOGNIZING THE WORK OF
ARTHUR PRATT

• Mr. LUGAR. Mr. President, I want to share with my colleagues a few highlights from the remarkable lifetime of leadership and good works displayed by Mr. Arthur Pratt, the founder and leader of Life Effectiveness Training in Indianapolis, IN.

Over the past 35 years, Mr. Pratt has been a dedicated leader in going into prisons around the country and assisting drug addicted men and women break their dependence on mind altering substances. His work has improved countless lives and the success is particularly evident in the reduced recidivism rates of the prisoners who have completed his program. His expertise and active contributions were the impetus behind legislation that I sponsored and passed requiring at least ten percent of all money allocated to Residential Substance Abuse Treatment programs to be allocated to programs in the jails.

Currently, at the age of 80, Mr. Pratt is a continual voice in advocating proven treatment service for our Nation's state and county jails. Yearly, his program provides approximately 250 alcoholics and drug addicts 90 days of treatment in Marion County Jails. Of the more than 7,000 people he has treated, over two-thirds have not been subsequently arrested. Through Life Effectiveness Training, he counters addiction and recidivism using a tested program that instills strength and confidence in their lives.

Arthur Pratt has dedicated his life to public service, and I am pleased to have this opportunity to congratulate him on his many worthwhile accomplishments.●

OUR PRECIOUS GIFT OF FREEDOM

• Mr. CRAPO. Mr. President, in a few days, a very special dedication will be held a short distance from here. Thanks to the diligence, commitment, and hard work of many people across the United States, our Nation's capital will officially be the proud home to the long-overdue World War II Memorial. It is definitely a time for celebration—a celebration of freedom, life, and honor, a celebration of the United States of America. Most of all, it is a celebration of all the soldiers and citizens who gave life and limb during the early years of the 1940s.

Idaho is home to many World War II veterans. This Memorial Day weekend, those veterans, along with veterans from every State and others who helped at home and abroad, can celebrate a very special Memorial Day. Many fought and many died to defend the United States in a war that ended 59 years ago. Sixteen million served, and 400,000 did not return to families and friends. Each one of these lives increased the value of our citizenship exponentially and immeasurably. This memorial, the design of which was selected after careful review of 400 submissions, stands as a reminder of the
